Notice of Rulemaking

Under authority of SMC 21.04.530 and 3.32.020, notice is hereby given for a proposed revision to a Director's Rule of Seattle Public Utilities. The Director of Seattle Public Utilities proposes Director's Rule WTR-460.1, Use of Hydrants by Others, which supersedes policy SEC-004 of the same title and CS-102 (sec. 4.1.11 only), Water Service within the Direct Service Area, and requests public review and comment.

This Director's Rule allows for use of hydrants for temporary water supply for less than six months, via a hydrant use permit issued by Seattle Public Utilities, if no other source of water is available. The Director's Rule specifies the conditions and terms for such use by individuals, businesses, and organizations other than Seattle Public Utilities water crews and local fire departments in order to protect drinking water quality and the water system.
